Director Says

Praise the Lord, our Savior and Messiah, Yeshua. It is a great pleasure to put before you the first issue of the News Letter of the Ariel Ministries (India Branch) for the year 2015. Though the News Letter has been delayed, it can be said better late than never.

Ariel India branch is now operating full fledge. The going is slow but steady. God always has His own plans and ways to work for His people.

There are some positive developments which have happened over the

last few months. The secretary of the Church of North India (CNI), Gujarat Diocese has taken keen interest to translate Dr. Arnold's Footsteps of the Messiah in Gujarati.

The translation work is in its advanced stage and going on quite well. We seek your prayer support for the same. The CNI happens to be one of the largest groups of Churches in Gujarat.

Another group of Churches of Gujarat, the Alliance Church has also shown

keen interest in teaching Ariel's Theological concepts in their Churches. Teachings on the Eight Covenants of the Bible, has been taken up by Bakul Christian.

Attempts are made to organize Two Days retreat on "Israel and the Church in God's End Times Plan". The teachings will be based on 'The Footsteps of the Messiah'.

Praise the Lord for the fruits which have come out till now. We are sure your prayers will bring more positive outcomes.

NEWS FLASH :
